Contracting + Construction

The creators and builders who realize the dream - **Legacy Ranch**.

This will be those in the construction business themselves, or who are interested in networking with the building industry and helping create the homes and community center at **Legacy Ranch!**

They will be building homes that will keep sibling groups from being separated, help pregnant teens and young mothers break the cycle of abuse, and stop elderly abuse/neglect with our Grandparents' homes.

Church Connector

Church Connectors are the liaisons between **FamilyLink** and churches. They ensure material is present/videos are aired at the church, and schedule **FamilyLink** presentations to share the need for emergency foster families, mentors, retreat day volunteers and more! We also share the great news that adoption is free and there is free college and insurance! For every child we believe there is a family, and this is a great way to find their new family!

Publicity + Networking

This group will take **FamilyLink's** mission into the community by submitting info. to networks, print, radio and TV media, publicizing events, **Life Matters! With Mariah** Radio show and growing **FamilyLink's** media and community connections. We need advocates and a presence in associations to carry the message into the community.

For example:

- ✓ PTA , Lions/Rotary Clubs
- ✓ Home Owners Associations
- ✓ Social or sports clubs.
- ✓ Chamber Associations
- ✓ Networking Groups
- ✓ Corporate Sponsorship/Grants

Appointments will be made for **FamilyLink** presentations and connections to resources for fundraising purposes. Our networking team will help Family Link be the recipient of funds raised during Golf Tournaments, 5K runs and other community events.

Retreat Days

Retreat days provide foster and adoptive parents the opportunity to learn from each other, have additional training, and for the whole family to be supported and have fun! Volunteers have the opportunity to love on the children and see firsthand what foster care and adoption is all about. Retreat coordinators manage the details of each retreat, from orienting new volunteers to planning activities and garnering donations for the monthly event.

Everyone

Relationships are key in making Legacy Ranch a reality and finding children families! Who do you know that is in construction, a church or networking association that we can invite to partner with us? If you are a member of a church or group then you can be **FamilyLink's** liaison and help spread the word to your circle of influence. An easy way is to invite them to be part of this group, and to listen to Life Matters! To learn more and be inspired.

Donations are crucial to creating Legacy Ranch, and each member of our **FamilyLink** Champions For Children will help find resources to help hurting children!
